The Network is back!

Greetings to you all in the name of our Lord Jesus Christ. After a two year gap, "The Network" is back. Although this is a slimmed down version, I am hopeful that as the months go by, more contributions from other people will come in. Until then, you are stuck with me.

Devote yourselves to prayer, being watchful and thankful

Colossians 4: 2

As we slowly come out of pandemic restrictions, now is the time to change gear and seek the Lord's direction for the future of the Church. Like many smaller Churches, we face many challenges. With an increasingly aging congregation, there are fewer folk to do the jobs that need to be done so the burden falls on the few. It is at such times that God is waiting to show up in power and guidance. All He needs is receptive hearts and listening ears. Humanly speaking we have an uncertain future. However, we serve a supernatural God who works above and beyond human capacity.

So I am proposing spending the next year seeking God and pouring out our hearts to Him. Let us earnestly pray for more workers. Let us pour out our hopes and fears to Him. At the same time, let us listen to God. He speaks to, and through each one of us. He speaks through Scripture and sermons. He speaks through circumstances and the inner nudges of the Spirit. God is the God of surprises who works beyond our human understanding if we simply believe.

I look forward to writing to you again in February.

Yours in Christ,

Glen and Rowan Graham
